

## Plate from the Etruscan Service

Imperial Porcelain Factory (Russian, 1744–present)

St. Petersburg, 1825–55

Porcelain

Gift of Madame Augusto Rosso, 1968 (25.482.3)

HILLWOOD  
ESTATE, MUSEUM & GARDENS

This plate was made for a pavilion located in the imperial residence of Peterhof in a suburb of St. Petersburg, Russia. The figure of the woman holding a box was probably adapted from a book of illustrations of Greek vases. What colors will you choose to decorate this plate?
