

Potato Stamps

Create your own stamps out of potatoes and use them to decorate!

Materials:

- Potatoes
- Knife
- Pen or pencil
- Water-based paint (e.g. acrylic)
- Paint brushes (optional)
- Paper

Steps:

1. Slice the potato in half

2. Using a pen or pencil, lightly carve into the potato the preferred shape

3. Cut away the potato to reveal the shape

4. Load stamp with paint, either by dipping into paint or by using a brush
5. Stamp a few times to remove excess paint

6. Apply to project materials as desired
7. Let dry
