Marjorie Merriweather Post, who once lived at Hillwood, acted with honesty and fairness towards her friends, family and others.

Today at Hillwood you will practice sharing, taking turns, and following rules while playing with friends in order to be honest and fair.

To earn your Lupe petal:
- Complete all the “Try This!” activities in this booklet.
- Keep track of the activities you complete by marking the checkbox on each page.
- You or your troop leader can purchase Daisy petals from the Girl Scout Council of the Nation’s Capital to get the petal that you earned by completing these activities.
Step #1 — Enjoy “Lupe’s Story,” then talk about it.

Try This!

Read “Lupe’s Story.” Copies of the story are available in Hillwood’s Visitor Center and at the DRESS-UP STATION near the LUNAR LAWN.

When you finish reading, talk about what you read. Discuss these questions with your group:

- When did Lupe show that she was honest and fair?
- How do you think the Flower Friends would have felt if Lupe had opened the present without them? How do you think Lupe would feel if she had not shared the present?
- When have you been honest and fair? How did it feel?
Step #2 — Act out Lupe’s story with your Daisy friends.

Try This!

Visit the **DRESS-UP STATION** near the **LUNAR LAWN** to find costumes and props to use to act out Lupe’s story. If there are lots of girls in your group, you may have to act it out a couple of times so everyone gets a chance to play a part— that’s the fair thing to do!
Step #3 — Practice being honest and fair.

Marjorie Post enjoyed doing many activities with her friends, including playing games. Here is a picture of Marjorie Post golfing with friends.
